Talk Free, Style Free

Easy Caller Identification

Caller ID with 50-Number or Name Call Log*

Thanks to Caller ID* capability, you'll be able to see the phone number of an incoming call on the LCD. If the caller is registered in the phonebook, their name will be displayed.

* Requires subscription to a Caller ID service offered by a telephone company.

Even in the Dark

Illuminated Display

The handset features amber-coloured, easy-to-read LCD (14-segment, 1-line, 12-digit with symbol) with backlight for easy operation.

Low-Power Consumption Design

150-Hour Standby

Up to 150 hours available in the standby mode even when the handset is not connected to the base unit.

Instant Recall

50-Name & Number Phonebook

Built-in memory stores up to 50 station names and numbers in a single handset. You can access phone numbers quickly.

Long-Time Conversation

17-Hour Talk Time

With long battery life design, up to 17 hours of continuous use available with a single charge.

Bundle Models

Please note that some models may not be available in some areas.
