

CATALOG KX-TGD320

Panasonic KX-TGD320 DECT Digital Cordless Home Telephone with Answering Machine/Speakerphone/Call Blocker (Black)

The **Panasonic KX-TGD320** is a cordless home phone that is simple and refined with an array of features including speakerphone, a built-in baby monitor and caller ID. Featuring all the same amazing functions as the Panasonic KX-TGD310 – only this version also boasts a 30-minute answering machine as well. The KX-TGD320 is everything you need to dial and receive calls and benefits from up to 16 hours talk time. It is Eco friendly due to the base station remaining 'OFF' until a call comes in or a handset is activated, meaning it can save you money on your electricity bills.

Due to its simplicity, this phone is ideal for working into family life, and what's more, it has a built-in Nuisance Call Blocker which allows you to block any unwanted calls including specified numbers, unknown numbers and withheld numbers meaning you go about your day safe in the knowledge that you won't be bothered by sales calls and telemarketers. You decide we will be able to get in touch with you!

The KX-TGD320 is sleek and stylish and accepts up to 5 additional handsets which can each be programmed to prevent ringing during specific periods. The phonebook can be shared across each additional handset and all comprise of an easy to read 1.8-inch illuminated display. A fantastic addition to any home or office!
